

CALL FOR BIDS
PORT OF PEND OREILLE
DIESEL FUEL

Sealed bids will be received by the Port of Pend Oreille until 2:00 p.m., February 7, 2020 and then read on February 11th at approximately 9:00 a.m. for furnishing off-road diesel fuel to the Port for the period of March 1, 2020 through February 28, 2022.

Fuel shall be delivered to the locomotive units and other small storage tanks for the Pend Oreille Valley Railroad and shall be on a keep filled basis. Fueling locations shall consist of Usk, WA. and Priest River, Idaho or other locations that may be from time-to-time arranged to satisfy delivery requirements.

Deliveries are to be metered into the tanks at the time of delivery by the supplier with notation as to the locomotive or tank delivery number and/or location. Port reserves the right to draw random samples for testing of any delivery. Failure to provide samples or a failed test may result in immediate termination of Contract.

Port reserves the right to reject any or all bids and to waive any informality in the bids.

Bid Proposal document may be obtained by contacting Kelly Driver, Manager, at the Port office 509-445-1090 or by email at kellyd@povarr.com.

Sealed bids must be submitted in duplicate with "Fuel Bid" clearly marked on the left side of the envelope.

Bids may be mailed or hand delivered to: Port of Pend Oreille, 1981 Black Road, Usk, WA. 99180

Publish in the Newport Miner January 15 and 22, 2020.
